

1984

and so the guy comes up to me and asks me if I have accepted Jesus as my saviour and I tell him that I already have some years ago but he doesn't seem to believe me so I reassure him that I have and then mention that I saw God some time ago and talked with him and that he told me his wisdom which is why I have taken his son to be my guiding light I life and the witness looked at me like I was dumb or crazy which I thought was ironic because he was talking to me as though he was on chatting terms with Jesus and God and the devil but when confronted with someone else who says the same thing he recoiled as though I am some kind of crazy which makes him a damned hypocrite I CANNOT BE ALLOWED TO WANDER ABOUT FREELY ANY LONGER BECAUSE I HAVE IDEAS IN MY HEAD THAT OVERREACH THOSE IN THE HEADS OF OTHERS BY A DISTANCE OF YARDS IF NOT MILES I am enjoying the rich man's burden the rich man's burden the rich man's burden the rich man's burden which is why

it comes down to a matter of being WHITE and not BLACK not that I mind either way but that no matter upon and not sat like the man who and will never let jealous guy who were never where not in the future like so many dead worried soldiers who which I am told is politics by other means but we all know that's a lie because politics by other means would equate to the truth and there is no truth in war other than the truth in bayoneting some soldier in a trench because he is on the other side and is THE ENEMY but who really might be a man you would like to have a beer with and so there is no truth in fighting or in killing for any purpose other than sport or the sheer delight in causing in the

which is why I never finish anything that I start because to do so would mean facing up to the awkward paradigm that has become my life and which would mean me having to live up to the expectations set for me by my father who in his life was nothing but a drunken failure but who was strangely proud of being what he was and would have fought HARDER THAN ANY MAN I HAVE EVER KNOWN to protect what was his from those who wanted those things only no one ever wanted what he had because his life was a strange mess from which he could not extricate himself (think harder about this short or abridged section – ditto) and whose idea of fun was to get into a stupor every evening and to roll home without any idea as to what he's be doing tomorrow or what he's like to be doing the next week or the next month or the next year none of which ever bothered my father unless he was pressed into an answer and who matched the very I did the same September which we only shared together for the we had spoken done properly like and

happened quickly together and she pulled her clothes off for me and I sat her nudity and we did it then and for weeks afterwards without anyone knowing other than who could hear it all through the walls the whole event was one great big joke not unlike the way I saw it too and more so and yet what was always a thought was WHAT IS MAN ART MINDFUL OF HIM and not the other stuff I was supposed to be thinking small and insignificant and silly we all really are and how nothing we do is ever of any real consequence and will not last more than the day of our PASSING or so said the that time he caught me and in the field together THERE IS NO TRUTH IN ANYTHING BUT IN THE lord god ALMIGHTY and the punishments he rains down on us shall be taken with bounteous joy for he is showing us the way that we must be in order to survive the bent horrors that is the fire of hell and the waters of the styx so that we may know how to survive our way through them and know them both as the we know them to be so THINK HARDER and RUN FASTER so that no one here may catch end' which will not let us know whatever became of the friends I used to have when I and better suited to this type of life so when the guy comes up to me and asks me if I Jesus as my saviour and I tell him that I already have some years ago but he doesn't me so I reassure him that I have and then mention that I saw some time ago and him and that he told me his wisdom which is why I have taken his son to be my guiding taken seriously by the witness next time before they try carving me up for their own personal amusement and next time it won't be half as easy as I let them away with it this time and not making it easy for them will forgive them of their sins for I am the father and the mother and the holy ghost and I get to decide who lives and who dies and who gets away for another day and who has to stay and pay for the consequences left by the others no matter how bright the sun and wet the rain and gentle the breeze or fierce the wind the paradigm all remains the same and constant and we all die in the end its just for me to bring it forward and into focus and let people know that my work is continuing and will never end and will only stop when the truth of the light of the way of the love of the day of the lord god almighty above who shall and can and must and has to lead us from this labyrinth until we see the first light or feel the last darkness its all the same to me and will be all the same to you if you ever see me when I am in business and not making random sounds because despite this is not what I am doing this is not what I am doing this is not what I am doing this is not what I am doing this is not what I am doing this is not what I am doing AMEN

drunk all the stuff never been alone with and it all looking at but us and to whom only less so THAT ~~was~~ of but how

<sup>1</sup> Η Ρώμη ήταν πλέον υπολογίσιμη δύναμη στην Μεσόγειο. Μέχρι το 264 είχε ενδιαφερθεί να επεκτείνει την κυριαρχία της στην ιταλική χερσόνησο με κύριο σκοπό την απόκτηση περισσότερης γης και την προστασία της από γειτονικές φυλές τις οποίες υπέταζε. Η επέκταση της ρωμαϊκής κυριαρχίας μέχρι τα νοτιότερα παράλια της ιταλικής χερσονήσου έφερε ξαφνικά τους Ρωμαίους στην θάλασσα και στις εμπορικές συλλογές. Επί αιώνες, Έλληνες και Καρχηδόνιοι όργανων την Μεσόγειο, μεταφέροντας εμπορεύματα από την Ελλάδα, την ακτή της ανατολικής Μεσογείου και την Αίγυπτο στην Ευρώπη και συναγωνίζονταν σε επιρροή και εμπορικούς σταθμούς (:). Οι Ρωμαίοι αμέσως κατάλαβαν πως η κυριαρχία τους στην Ιταλία δεν μπορούσε να έχει διάρκεια εφ' όσον σε πολύ μικρή απόσταση από την Σικελία, ακριβώς στο απέναντι αφρικανικό ακρωτήριο βρισκόταν η παντοδύναμη Καρχηδόνα.
